The Specialists in Heat

# BEAUTIFUL FIREPLACES

# Quality & Experience

We've been making fireplaces and stoves for a long time now – a combined experience of more than 70 years. Our customers talk about our great designs delivering efficient, cost effective heat keeping their homes cosy. We also have a reputation for really looking after our customers.

**Hôta**<sup>™</sup>  
The Specialists in Heat

## Warmth & Beauty

When you choose a HÔTA fireplace, you make a choice for life. So you need to know that you're making the right choice. We have worked with countless fireplaces in almost every type of home imaginable, so we can help you decide exactly what will work best in your home.

We hand-pick our dealers not only for their intimate knowledge of fireplaces and stoves, but for their brilliant customer service too. They'll be with you right from the start – from choosing the right fireplace and stove for your home, fitting it, and caring for it for many years to come. Our dealers are spread out all over the UK and Ireland, so wherever you are, you'll always be in safe hands.

## Our Quality Materials

### Crema Fiore

Crema Fiore is a beautifully consistent warm colour based on Italian marble inspired by the Tuscan sunshine. Popular with architects and interior designers; this best-selling marble material remains a hugely popular choice in Irish homes.

### Black Granite

Classic jet black in colour; this natural material has its own distinctive texture and characteristics. Each Black Granite Fireplace is entirely unique to you.

### Alpine White

Another exclusive HÔTA colour featuring a classic white finish. This beautifully textured material is bound to create an outstanding feature in any home.

### Rio Cinza

This natural grey limestone from Brazil, has hard properties with dispersed darker shades and grain colour trends from medium to coarse. We have selected a specially textured honed finish for our Rio Cinza material which has developed a huge amount of interest in beautiful homes all over the country.
